MESSAGE FROM THE TEAM

This year has been nothing short of **ELECTRIFYING!** We are extremely grateful for the opportunity to serve Idaho FFA and it's members.

We owe the success of Idaho FFA to our sponsors and supporters. Contributions made by our generous sponsors and supporters allow our members to gain premier leadership, personal growth, and career success in and outside of the classroom.

This year, we were thrilled to go back to in-person events. Even with two years of virtual FFA events, our membership continues to grow. We are proud to say the Idaho FFA Association currently has 5,400 eager members, all excited for the opportunities FFA continues to give.

As the 2021-2022 Idaho FFA State Officer Team, we are appreciative of the opportunities given to us, including going to the National FFA Convention in Indianapolis, SUMMIT in Washington D.C., and various Business & Industry visits. And of course our favorite was traveling across Idaho leading chapter visits, district officer trainings, Gem State Leadership Conferences, and connecting with our amazing members.

We are excited to be celebrating the 91st Annual Idaho FFA State Convention in person! We hope everyone finds the spark for celebrating each other's achievements through honorary recognitions, member successes, retiring addresses, and the installation of your 2022-2023 Idaho FFA State Officer Team.

We are so excited to be together again in-person for the Convention. As we hang up our jackets for the final time, we encourage you to continue to find the spark that electrifies your dreams, purpose, leadership, connections, goals, passion, and love for the FFA. The six of us agree that the time spent in the blue corduroy is short, but it is nothing short of impactful. Thank you Idaho FFA for an **ELECTRIFYING** year full of excitement and the opportunity to serve you.

Sincerely,

-The 2021-2022 Idaho FFA State Officer Team

IDAHO FFA FOUNDATION

The Idaho FFA Foundation provides financial support to the Idaho FFA Association leadership and career development activities, helping Idaho FFA members and agriculture education grow and succeed.

When you make a gift to the Idaho FFA Foundation, you are investing in the future of agriculture through today's students who will be the tomorrow's agriculture industry leaders.

Thank you to all our donors who are helping to advance the mission of the FFA in Idaho!
